### FROM THE GRAND KNIGHT

Worthy Brothers,

It's been so long since 10668 did a Newsletter that I opened our last edition with the following sentence: "HAPPY NEW YEAR! I wish nothing but the best for you and your family in 2011. I also send my very best to the family of brothers that is Council 10668."

Wow! That seems like such a long time ago. But those intentions still ring true. And a lot has happened since I typed that message.

First, we lost our former newsletter editor, John Reda—may his soul rest in peace. Last fall, John proved what we already knew: that in spite of his wonderful and creative work, nobody reads the Newsletter. Then John and I tried our best to change that until his health took a turn for the worse. He and his efforts will be sorely missed. Brother Jack Wilfore has stepped up and volunteered to be our new editor. Let us thank him and wish him well in those new efforts. As we begin to transition into the Ungaro regime, let us all try to ensure that the newsletter does not go unnoticed.

So looking back at council activities over the first quarter, we saw the following:

Brother Bart Bubnell set a new income record for the Spaghetti Supper.

Brother Gary Ruberti discovered Corned Beef gold for our Saint Patrick's Day party.

Brothers Rich Regan, Bob Bidwell, and Russ Piccioni cooked three Fish Fries in three weeks.

Whew! I'm glad that winter and Lent are in my rear view mirror. It has certainly been a busy 2011.

But now is not the time to take off our packs. The end of our fraternal year is in sight, so let's support the school's upcoming Confirmation and Graduation. Let's not forget the true meaning of Memorial Day. And most important of all, let's remember the Ladies who have stood so faithfully by our sides while we attended that Monday night meeting or stayed after to clean up after a party.

My high school Principal was a former Navy boxer who used to always say to me "Vaya con Dios". Go with God. Indeed, truer words have never been spoken.

*Fraternally Yours,*  
*John Scanlan, GK*

*Vivat Jesus!*

## FROM THE DEPUTY GRAND KNIGHT

I cannot believe that the time is moving so quickly. We are just finishing the celebration of Easter and all it means to each of us. Summer is just around the corner and our beautiful Island is quickly coming into bloom. For we, Knights, another fraternal year is starting to wind down and

a new year of challenges, successes and enjoyment is starting to beckon us. This coming year will include the 20th Anniversary of our Council. From 34 charter members we have grown into a Council that contributes to our community, church and each other.

Please continue to support those who support our Council.

*PGK Ed Fuertinger was recently awarded Honorary Life Membership as he celebrated 50 years of service with the Knights of Columbus.*

*He joined Council 5103 in April, 1961 as a charter member where he served as chairman of various committees. When he moved to Connecticut, he transferred to Council 4460 where he was elected as Warden and Deputy Grand Knight. He also had the privilege of being elected and serving as their Grand Knight. This award was presented at our April 5th 2011 Business Meeting.*

## A TIME TO REFLECT

Deacon Matt Houle

The church offers us all a wonderful time for reflection during the season of Lent. A time to set aside for a while and really focus on the big picture. I'm sure we all have thought of this before, but it is a good practice to quietly reflect on where our lives are going; are we using our God given blessings to further His kingdom; are we really preparing, with His grace, for the moment that each of us, individually, will stand "face to face" with the Almighty? Certainly deep questions which merit deep reflection.

Through the desert of Lent, is where we attempt to empty ourselves of some, if not most, of the clutter that can fill our life. We do this, so that we can find peace and fulfillment in and through the Lord. The kind of peace that can only come for Jesus. As John the Baptist said, "I must decrease, He must increase". During this time, we can be like Mary (the sister of Martha), sitting at the feet of our Lord drinking in His love, wisdom and friendship. This a time to deepen our relationship and union with our Lord, by sweeping clean our interior lives and making room for Him – so He can draw us nearer to Himself. Allowing His pure light to heal our hearts, mend our souls and to fix what needs fixing. Lent is a time of blessings, even though sometimes it may not "feel" that way. His grace works wonders beyond our ability to fully comprehend or fathom. And I feel at peace knowing that. I plan on spending lots of time with our Lord during and after Lent. I think some good things can come from it. How about you?

Peace & Blessings
